## EXPERIENCE

### **Freelance Graphic Designer**

*February 2019 - Current*

As a freelancer I have been working on several graphic design projects for a diverse range of clients. Including logo design, brand identities, editorial projects, and gamification features.

### **Graphic Designer and Art Director, Studio Unika (Lisbon, PT)**

*May 2023 - February 2024*

At Studio Unika I gained experience in branding, editorial, packaging, social media, and web design. I managed projects from initial concept development through to final deliverables and presentations, and I created designs that aligned with each client's brand guidelines.

### **Product and Graphic Designer, Studio Vera & Kyte (Bergen, NO)**

*March 2017 - June 2017*

During this internship I contributed to the designs of several (interior) products. I developed moodboards, multiple design directions, 1:1 mockups, graphics, and client presentations.
